CONTENTS

- Two sets of six different drawings
- Blank sheet for drawing
- Worksheet with oral and written exercises

PREPARATION

This is an activity for two people or two teams. Each person/team needs to have one of the sets of drawings and one sheet to draw on.

METHOD

- Take it in turn to describe one of the drawings on your sheet (making sure that your opponent/s can't see your sheet).
- The other person/team has to draw what you describe.
- When you have finished, show them the original drawing and compare the results.
- Now make up your own pictures and play again!

WORKSHEETS

Oral work is an essential part of learning a language and learners are expected to complete the worksheets orally before writing them (see the instructions for the written work on the previous page)
